

Environmental Policy Statement

Transactis is committed to continuous improvement to ensure that we minimise our impact on the environment.

We aim to comply with applicable environmental legislation and industry codes of practice, taking positive steps to minimise the environmental impacts of our operations.

Our Aims

- To operate an Environmental System (EMS) throughout the business.
- To ensure our key suppliers and contractors are aware of our policy and that wherever possible, they operate to similar standards.
- To minimise the volume of waste deposited to landfill by recycling & re – using materials wherever possible.
- To continue to consider environmental factors and risks in our commercial decisions, alerting our customers to the importance of these issues.

Our Responsibilities

- All employees have a responsibility in their area to ensure that the aims and objectives of this policy are met.
- The ownership and responsibility for the environmental policy resides with the CEO and Executive team.

What can everyone do to help?

- Reduce, re-use or recycle wherever possible
- Promote and participate in improvement plans
- Be aware of your departments Environmental risks
